RE: Corning Water District Special Benefit Assessment
Completed July 22, 2026, 11:15 AM

Dear Board of Directors,

Attached please find true and correct final information concerning the Corning Water District Special Benefit Assessment.

MK Elections mailed ballots on May 22, 2026. Ballots were counted at the Rolling Hills Casino in Corning, CA starting at 11:00AM on July 22, 2026. During the open period of the election, the ballots remained in the custody of the United States Postal Service in Corning, CA in a post office box rented by MK Elections and for which we retained the only access. Some ballots were returned to a locked safe placed at the district office and for which we possess the only key.

MK Elections tracked the return of undeliverable ballots and mailed replacement ballots to voters upon their request and/or the request of the district.

We certify that the attached results and ballot information attached are true and correct, and that they properly reflect the paper record of the election which has been sealed and left in your custody.

Yours,
